

WEDDINGS ON THE PALOUSE

Camp Grizzly is the perfect destination for your special day. We feature several ceremony locations including a chapel, firebowl and lakeside that will make your "I Do" even better. Our facility can accommodate more than 250 people and we have an outside eating pavilion or indoor lodge options for your reception. The recently updated kitchen makes it easy for you and your caterer. A variety of dishes, serving trays, cutlery, and service ware are available to meet most needs. A spacious meeting room and eight newly constructed cabins cover overnight stays and wedding day preparations. For a more rustic experience, cozy A-frame cabins and ample tenting space are available.
