

WEDDINGS ON COEUR D'ALENE LAKE

Select from exquisite locations for your special event. You have the option of choosing our spacious lodge, which is surrounded by beautifully groomed grass and trees and features a pavilion. Alternatively, you can have an intimate ceremony with wooden seating and a stage overlooking Lake Coeur D'Alene, or have a waterfront ceremony with your feet in the sand. The lodge is equipped with a full-service kitchen and also provides space for rehearsal and dinner. In addition to our cabins and meeting room offering dressing space for the bride and groom, a charming honeymoon cabin, lodging for your guests, a ceremony arbor, and a natural grass dance area are all available for your celebration.
